Robert & Bianca Emery

Merry Christmas and happy new year! We have a few exciting updates for you all! On 4th September Eliah had his first birthday! We were going to celebrate it but as we had been preparing to move, we decided on showering him with a lot of toys instead! And he has broken nearly all of them! Bianca made a cake that we shared with him and her family. It was a lot of fun! Eliah loved it!

As of the 5th November, we had moved into our house. Eliah stayed with his maternal grandmother while we got the house ready. Because Robert had been travelling to the house to work (we had moved the fibre optic here on 4th October), he had been taking a lot of items each day to make the big initial move easier. After we organised ourselves, Eliah has come to live with us. Certainly a big adjustment! This big change has affected us and we are learning to live independently.

We had a couple of celebrations in December. We celebrated our 3rd wedding anniversary on the 10th December. We didn't do anything special, except that in the afternoon we had a nice meal out together. We also celebrated Robert's birthday on the 14th December. He turned 34, a year older than when our Lord Jesus was crucified! Both days were wrought with joy and showed us how God has been good to both of us throughout the years!

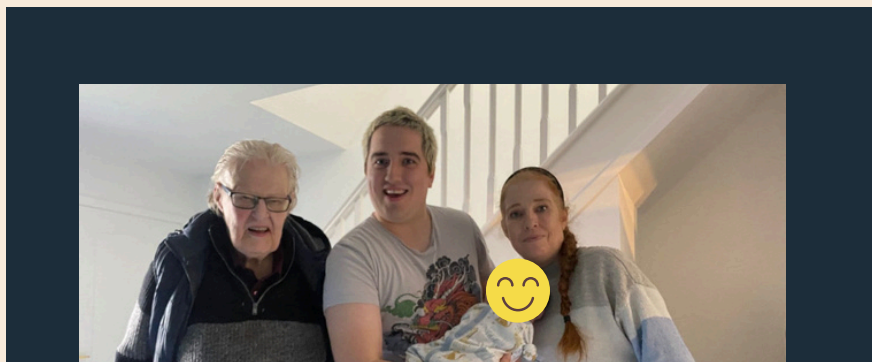

We are still in the process of remodelling the house. Even though we are able to live here there is still much work to do. We do not have a water system. Robert has to take water from the tank using buckets and fill up two containers, one in the bathroom and the other in the kitchen. We are currently having the annex built which will hold many items as well as be an office for Robert. After the annex is completed, we will work on the water system, then finish putting ceramic in the other bedrooms. Hopefully it will all get done soon.

Some updates

On 15th October I have recently joined an organisation called Living Hope Ministries as the Chief Representative in Venezuela. The son of the man who set up this organisation was my line manager when I was involved in Off the fence. About once a month we meet as the Latin American representatives and pray together. I also have a one on one meeting once a month to see how I'm doing spiritually. This group has connected me to a few people in other Latin American countries. Hopefully, these connections will possibly evolve into some opportunities for more cross cultural mission.

Despite the international news reports about the situation in Venezuela, we're doing well, thank God. We have been living in a time of uncertainty. God is the sovereign and great God who holds all things in the palms of his hands! Therefore I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men, for kings and all who are in authority, that we may lead a quiet and peaceable life in all godliness and reverence. - 1 Timothy 2:1-2

For about a month or so, Robert has just started up again on Social Media, for the sole purpose of raising an audience of people who will buy his books. Most particularly, YouTube. He has prescheduled a bunch of videos about 4 or 5 times a week. Some focusing on small messages, others which talk about culture and life here in Venezuela. If you'd like to support, you can go to the channel here: <https://www.youtube.com/@RJEBooks> - if you do watch videos, it's best if you watch until the end and put a like. It helps his videos get recognised by the YouTube algorithm.
